Accurate information is crucial in the event of an emergency, ensuring that we can reach you immediately if your child becomes ill or is injured at school.

If we are unable to make contact with anyone listed on the student's emergency contact file, the student will be sent home with a notice stating that they **may not return to school until a parent or guardian schedules a meeting with the administration** to update their contact information.

All students enrolled at Muskegon Maritime Academy (MMA) are required to wear the designated school uniform every day. The uniform is a key part of our academy's culture, promoting discipline, unity, and a focused learning environment.

Students must arrive at school in full uniform and remain in proper attire throughout the school day. If a student arrives without their uniform, they will be sent home for the day. Parents/guardians will be contacted immediately to arrange for pick-up or to bring the required uniform to school.

To avoid disruptions in attendance, parents should ensure their child has the necessary uniform pieces each day. If families are experiencing difficulties obtaining uniforms, they should contact the front office for assistance.

ATTENDANCE POLICY

Regular attendance is essential for academic success. Students who attend school consistently gain the most from their educational experiences. Attending school is a full-time commitment, and the State of Michigan requires all children between the ages of 6-16 to attend school.

Being present in the classroom fosters self-discipline, respect, and engagement in learning. Attendance, punctuality, and participation directly impact a student's academic achievement. Below are the administrative procedures for handling absences:

1. Reporting Absences

- Parents/guardians must call the school office to report an absence.
- Calls should be made **within 24 hours** or **by 8:30 a.m.** on the day of the absence.
- If the absence is due to a medical reason, a **doctor's excuse** should be provided to the school office.

Maintaining regular attendance is a shared responsibility between students, parents, and the school.

TARDY POLICY

Timeliness is essential for maintaining a smooth and effective learning environment. **Being late disrupts the educational flow** and affects both the tardy student and their classmates.

Procedures & Consequences for Tardiness:

 - If a student arrives late, they must check in at the front office before going to class.
 - Parents should notify the school if there is an unavoidable delay.
2. **Chronic Tardiness:**
 - If a pattern of tardiness emerges, the teacher or administration will **schedule a meeting with the student and parent** to address the issue.
3. **Persistent Tardiness:**
 - Continued tardiness may result in **loss of recess, after-school make-up time, or additional interventions** as determined by school administration.
 - If tardiness remains unresolved, further **disciplinary actions or attendance interventions** may be implemented.

Ensuring students arrive on time teaches responsibility and respect for their education. Parents are encouraged to establish morning routines that promote punctuality.

TRUANCY POLICY

Truancy is defined as a student missing school without a valid excuse. Regular attendance is essential for academic success, and Muskegon Maritime Academy (MMA) follows the **Muskegon County attendance guidelines** to ensure students remain engaged in their education.

 - A **truancy letter** will be sent home as a formal reminder of the need for improved attendance.
 - Parents/guardians may be asked to meet with school officials to discuss concerns and possible solutions.
- 3. **Continued Absences (More than Five Unexcused Days)**
 - The student and family must complete an **Attendance Improvement Plan** with the school.
 - The **truancy officer** will be contacted, and a **home visit** may be conducted to assess the situation and provide support.
 - Continued truancy may result in further intervention, including **legal consequences** as outlined in county attendance policies.

Preventing Truancy

- Parents are encouraged to communicate with the school regarding **illness, family emergencies, or other excusable absences**.
- If a student is struggling with attendance due to personal, transportation, or other issues, parents should contact the school for **support and resources**.
